Safety Information

IMPORTANT SAFETY INSTRUCTIONS

NOTE: This product operates with an Underwriter's Laboratories (UL) listed decorative lighting string. The combined decorative lighting string and tree have not been evaluated for UL listing. When using electrical products, basic precautions should always be followed, including the following:

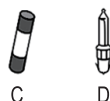

- READ AND FOLLOW ALL SAFETY INSTRUCTIONS.
- This is an electric product, not a toy. This product should not be played with or placed where children can reach it. Close supervision is necessary when children and pets are in the vicinity of this product.
- Do not position this product near gas or electric heaters, fireplaces, candles, or other similar sources of heat.

Pre-Assembly

PLANNING ASSEMBLY

Carefully remove all the parts from the box, and place them on a flat surface. Read the entire manual prior to assembly, and identify all the parts included in the package against the parts list. If any parts are missing or damaged, do not attempt assembly, but contact our customer service center. Assembly of this product may require more than one person. Tools Required: Hammer, Pliers

PACKAGE CONTENTS

Package Contents/Parts List		
Part	Description	Quantity
A	Tree top branch section	1
B	Lower tree branch section and base	1
C	Spare fuse	1
D	Spare bulb	3

Assembly

Assembling the Tree

- Position the Lower Tree Branch Section and Base (B) near a 120-volt AC electrical outlet on a flat, level, stable surface.
- Insert the Tree Top Branch Section (A) into the Lower Tree Branch Section (B)
- Lower and spread the tree branches. Beginning with the tips farthest from the pole, spread a tip to the left, a tip to the right, and then spread a tip center of the main stem. Repeat for each tree branch.

- Insert plug into the 120-volt AC electrical outlet.
- If all lights do not illuminate, search for a loose plug connection.

Pre-Operation

CAUTION: Grasp the plug to insert or remove from the power source. Do not unplug by pulling on cord.

CAUTION: The lighting string on this product is rated at 20.4 Watts (0.17 Amps). Do not overload. Do not connect to another lighting string, decorative outfit, or other product. Before you use or re-use this product, inspect it carefully. Discard if the product has cuts, damage, frayed wire insulation on cords, cracks in the socket enclosures, loose connections, or exposed copper wire.

Care and Cleaning

- Carefully remove the product from wherever it is placed, including trees, branches, or bushes. This helps to avoid any undue strain or stress on the product conductors, connections, and wires. If the product is placed on a tree, the tree should be well secure and stable.
- Wipe the unit with a damp cloth and allow the unit to dry before storing.
- Store the product neatly in a cool, dry location protected from sunlight.

FOR INDOOR AND OUTDOOR USE
